

Beware of Counterfeit EMKARATE® RL Lubricants

Consequences of using counterfeit lubricants bearing the batch and lot numbers:

- F05/82724065
 - N11/8276069
 - M12/8276069
 - 7253R
 - MR0348-4 8070-P
 - J12/8276069
 - F07\00205
 - MR0183-11
- System Failure – reduction of compressor life and adverse reactions
 - Poor oil return to compressor
 - Oil starvation of compressor – failure
 - Reduced heat transfer – inefficiency
 - High wear and friction

Emkarate® RL's advanced design produces market leading performance and provides:

- Superior wear protection for reliability
- Greater lubricity and improved energy efficiency
- Excellent performance in low temperature applications

Purchase Genuine Emkarate® RL from:

Lubrizol
